I have known Mitchell Bresciani through his intern experience with our school during September to December 2013, in my position as Principal of Dr. Martin LeBoldus Catholic High School.

Mrs. Liza Donnelly
Vice Principal/Sous-
Directeur
B.Ed., M.Ed., Cert. Incl. Ed.

While an intern, Mitchell taught out of our math department. He was involved in an advisory role with the SRC; was an assistant coach with the city champion's girls' soccer team and helped supervise some of our other extra-curricular events.

Mitchell has a wonderful rapport with people of all ages, especially children. His ability to connect with his students and his talent at teaching simple concepts, as well as more advanced topics, are both truly superior. Mitchell has excellent written and verbal communication skills, is extremely organized, reliable and computer literate. Mitchell can work independently and is able to follow through to ensure that the job gets done. He accomplishes these tasks with great initiative and with a very positive attitude. Mitchell does not hesitate when asked to take on various roles in our schools that involve extra-curricular commitments.

I am happy to recommend Mitchell to you without reservation. If you have any further questions with regard to his background or qualifications, please do not hesitate to contact me.

If you have any further questions or concerns please feel free to contact us at any time.

Yours truly,

Mr. Lawrence Biegler
Principal
